

HOW TO GET TO SANTA ROSA

You can fly directly into Santa Rosa airport via Alaska/Horizon Airlines. You do have to connect through Los Angeles, Las Vegas, Portland or Seattle. We have a small airport and it is only 15 minutes from the airport to the Flamingo Resort Hotel. It would be perfect for those who want to vacation in any of the above areas prior to or after the convention. We will have members available to pick you up at the airport and take you to the Flamingo at no charge. Just let us know ahead of time when you plan to arrive.

You can also fly into San Francisco or Oakland, CA. There is air porter service from both of those airports to Santa Rosa. I use the Santa Rosa/San Francisco air porter frequently. It runs every hour between 7:00 a.m. and 10 p.m. It leaves San Francisco airport just outside the baggage claim area from the center divide. Be sure you watch for the "Santa Rosa Air Porter" as there are similar busses to other destinations. It is a large comfortable bus and takes about 1-1/2 hours to get to Santa Rosa. If you are going to fly into Oakland or San Francisco, check out the air porter website – airportexpressinc.com. You will stop in Petaluma, where they will collect the fare - \$32 one way, and also in Rohnert Park before you arrive at the Days Inn in Santa Rosa. You could also stay on the bus to the Santa Rosa airport, but it will be more convenient to get off at the Days Inn, where we will have members waiting to take you to The Flamingo Resort Hotel at no charge. We will have numbers to call for you to contact letting us know when you plan to arrive. If you call us from Petaluma, we would have plenty of time to get to the Days Inn or the Santa Rosa airport. Hopefully, you will be traveling during the day as the ride from either airport is a beautiful trip in itself.

Of course, renting cars at San Francisco or Oakland is quite reasonable, especially if some of you carpool! Please email us for directions. Cars are also available in Santa Rosa as well. There is an Enterprise here.

Happy trails,

Chet Wilson
