Where is the convention?
How do we get there?

BY HIGHWAY:

Rockford is at the intersection of Interstate 90 and Interstate 39. The Clock Tower Resort is literally right at the Business Hwy. 20 – State Street exit from I-90 & 39.

BY AIR:

The Chicago/Rockford Airport has scheduled flights on United Airlines from Denver. Other flights are primarily to vacation destinations such as Orlando, St. Petersburg-Clearwater and Las Vegas. The hotel shuttle bus is available to pick you up.

The Chicago O'Hare International Airport is about 70 miles away and provides air travel access to the whole country. While busy, it is not difficult to travel through (stormy weather the exception) and you are rewarded with convenient, friendly, scheduled bus service (CoachUSA-VanGalder Lines) from the O'Hare Bus Center right to the door of the Clock Tower Resort. Departures are hourly on the half-hour and recent fares were \$16.00 per person, one way.
