

2007 TGOA/MGCA Dues and AHS Membership

Excerpts from a letter to Club Treasurers from Bob Young (9/5/06)

Note: Bob handles accounting and membership at the National Office

Please do not wait for all members to pay dues before sending us what you have received. Any dues received at our office after **November 1, 2006** will not receive the **JAN/FEB** issue of The American Gardener, if they want to subscribe for AHS membership. AHS has changed the structure of our relationship with them. They will offer all TGOA/MGCA members an opportunity to buy 2 or 3 year discounted memberships. TGOA/MGCA will no longer collect for AHS memberships. Members will be billed by AHS. This includes Life Members. The discounted rates are:

Two years for \$35 (a \$70 value)

Three years for \$45 (a \$105 value)

A one year subscription is not available. You need to indicate on your roster when sending dues, if your club member wants the AHS membership for 2 or 3 years. I will send this information to AHS for billing.

Our dues have changed for 2007 as follows:

Regular members: \$15

Additional family members: \$5 (at the same address)

Spouses of life members: \$5

Youth members: \$5

Life members: \$200

Bob Young
