4. **Hardy Flowering Plants - A Closer Look** (donated by James Tracy)

Four 30-40 minute each video series on perennials. A teaching, learning tool alphabetically arranged by genus. Over 160 plants shown and discussed. The culture, maintenance, usage, design and propagation are covered. A must for anyone interested in starting a perennial garden, remaking or adding to the present garden.

5. **Plant Clocks & Calendars** (Dr. David Keller, MGCA Rockford Convention 1987)
6. **For the Love of Roses**

7. **The Good Green Earth** - Four sixty minute video's providing information and gardening tips to help you produce a more fertile, productive garden.

(1) **Gardeners' Tips & Techniques:** Enhancing your Soil; Square Foot Gardening; Gardening Techniques & Pest control.

(2) **Planning, Planting, Harvesting:** Sketching your Garden, Purchasing Seeds; Planting peas, beans, cabbage, broccoli, tomatoes and peppers; Harvesting tomatoes, peppers, lettuce and onions.

(3) **Gardener's All-Time Favorites:** Roses made easy; Nurturing your plants and harvesting for peak flavor; Towering trees - planting & fertilizing.

(4) **Gardening without Land.** Learn the "how and when" proven methods which get the most from the least. Grow a salad on your windowsill! Learn innovative uses of various kinds of containers.

8. **Foolproof Flower Beds** - Learn how to create your own flower-filled garden from scratch. (Making raised beds, improving "hopeless" soil, selecting plants for non-stop color, laying out drifts and clumps, coordinating heights, planning right for shade and sun; providing winter protection, mulching, fertilizing, etc.) (Better Homes and Gardens 1st place winner, 1988 Garden Writers of America Award)

9. **Perennial Gardening** - This 45 minute video is quite suitable to show at club meetings. It teaches by illustration the following points: bed preparation, planting procedure, maintenance including fertilizing and pest/disease control, propagation and winterizing. An actual island bed is designed and planted. The bed includes a rock wall to give a two level effect.

10. **Annual and Hanging Baskets** - This 30 minute video is directed mostly to the beginning gardener. However, veterans may find a few points useful to improve their flower gardens. Plant selection is covered as well as planting techniques, design and maintenance.
